Sacramento, CA 95823

The Mental Health Access Team will determine the eligibility for services, the level of service needed and, if eligible, link the individual with a culturally and linguistically appropriate provider.

The Mental Health Access Team will give the individual the provider's name and telephone number.

In accordance with confidentiality regulations, the Mental Health Access Team will make every effort to inform the referring party that the individual has been linked with a provider agency.

The Sacramento County contracted provider will contact the individual and/or caregiver to schedule an initial appointment.
